

How to sign up for a UConnect Account

1. On the homepage select 'Sign Up' in the top right corner

2. Select 'Select your role' on the drop down and select 'Employer'

3. Type in an email address, this will be your login for the system.

4. Fill out all of the proper information in 'Basic Information'

5. Choose whether you would like to receive alerts from the University Career Center, and how often you'd like to receive alerts
