Dear Ms. Julien:

I am writing in regard to the Care Coordinator position at Southern Mental Health Center, which I learned about on Indiana University’s myJobs website. The mission of Southern Mental Health, to “empower our clients while contributing to the field,” aligns perfectly with my own philosophies on supporting clients in making their own life improvements. I believe that my experience working as a mentor and a tutor, along with my degree in Psychology from Indiana University Bloomington makes me an excellent candidate for this position.

The position of Care Coordinator at Southern Mental Health Center requires someone who excels in working as a team member, understands how to prioritize tasks and patient needs, and can complete tasks efficiently. As a student researcher for the Cognition and Action Neuroimaging (CAN) Laboratory, I acted as a member of a seven-person team to analyze findings from observations of 18 toddlers’ cognitive interactions, which taught me to gather and assess findings accurately. In working with toddlers, I learned to actively listen and observe in order to understand and prioritize their unique needs and complete my responsibilities efficiently.

In addition, I am confident that my education and professional experience make me a strong candidate for the Care Coordinator position. Enclosed is my resume, which further details these experiences. I look forward to learning more about the position and Southern Mental Health Center. Should you have any questions, please contact me at 812-855-0000, or email me at kattay@indiana.edu. Thank you for your time and consideration.

Sincerely,

Katherine C. Taylor
