

ROCKWELL CAREER CENTER PARTNERSHIP PROGRAM

The C. T. Bauer College of Business' Rockwell Career Center (RCC), funded entirely by the generosity of our corporate partners, serves one of the largest and most diverse business schools in the nation. RCC's members not only provide opportunities for students with programming and employment opportunities, but they provide relevant feedback as Advisory Board members.

The RCC Partnership Program recognizes its annual supporters of its career development and student leadership programs. Members are recognized on the website, at specific events and on a donor recognition wall at the Career Center front desk, as well as participation on our Advisory Board. Unless otherwise noted, the period of membership includes three consecutive semesters from the time of the member's enrollment, including one Fall, one Spring and one Summer semester.
