

Boulay Summer Programs – 2017

Boulay Bound Program – Summer 2017

What is the Boulay Bound Program?

Boulay Bound is a one-day summer program (June 7th) geared toward sophomore and junior Accounting Majors who are looking to find out more about a career in public accounting. This program will explore the field of public accounting as well as provide insight into careers specifically at Boulay. It is also a potential pipeline into internship opportunities or our advanced summer program (Aspire-2-Boulay) the next year! We are looking for students who are: **personable, innovative, precise, proactive, respectful, inquisitive, immersed and ethical.**

Who will be participating?

Approximately 20 college students selected from local and regional colleges and universities.

How will this benefit me?

1. Broaden your understanding of the accounting industry
2. Gain exposure to Boulay's practices, culture and opportunities
3. Network with accounting professionals and other motivated students
4. Increase your professional acumen
5. Enter our pipeline for next year's internships or Aspire-2-Boulay program

Minimum Requirements

1. Accounting Major with a minimum 3.0 GPA
2. Sophomore or Junior academic status
3. Completion of some accounting courses
4. Proficient in Microsoft Excel, Word and Outlook
5. Exemplary communication and organizational skills
6. Motivated to learn more about Boulay and the accounting profession

Aspire-2-Boulay Leadership Program – Summer 2017

What is the Aspire-2-Boulay Program?

The Aspire-2-Boulay program is a two-day program (June 27th/28th) geared towards junior and senior Accounting Majors who are looking to enter the public accounting industry after graduation. During the program, you will participate in a variety of activities with Boulay partners and staff to gain first-hand insight into the accounting industry and our firm. It is a great pipeline to potential future full-time opportunities! We are looking for students who are: **personable, innovative, precise, proactive, respectful, inquisitive, immersed and ethical.**

Who will be participating?

Approximately 20 college students selected from local and regional colleges and universities.

How will this benefit me?

1. Broaden your understanding of the accounting industry
2. Gain exposure to Boulay's practices, culture and opportunities
