

*What can I do with my Major?*

## POLITICAL SCIENCE

### UCONN DEPARTMENT: Political Science

To learn more about this major check out the department website or schedule a meeting with an academic advisor.

### NATURE OF WORK

Political Science can lead to a variety of career paths. For some jobs, office work is a significant part of the job, whereas others include a variety of environments and travel responsibilities. Political science is an excellent pre- professional major in which students develop skills that are applicable to further study in law, medical, dental, theological, journalism, and business schools.

Political Science prepares graduates with transferable skills and qualities that can be beneficial in a variety of industries and careers.
