

INTERNSHIPS & CO-OPS

Major: Diagnostic Genetic Sciences College of Agriculture, Health, and Natural Resources

Website: <http://www.cogsci.uconn.edu/index.php>

Academic Year: 2016 – 2017

This department does not offer academic credit for internships that do not qualify as practicums, options for which are listed in the Diagnostic Genetic Sciences undergraduate course catalog. Sample internship opportunities and other credit options can be found below.

To pursue credit options:

Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:

Internships can be found on *HuskyCareerLink* via huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample internship opportunities for Diagnostic Genetic Sciences majors:

Genetics Laboratory Internship Program, Clinical Genetics Summer Research Internship, Cancer Epidemiology and Genetics Internship, Zoology Internship

Sample of organizations where Diagnostic Genetic Sciences majors can intern:

**Connecticut Department of Public Health, **HealthEd, Prevention Genetics, Smithsonian Fellowship Program, World Health Organization, Greenwood Genetic Center

**** (recruits at UConn)**
