

INTERNSHIPS & CO-OPS

Major: Environmental Sciences College of Agriculture, Health, and Natural Resources

Website: <http://envs.uconn.edu/>

Academic Year: 2016 – 2017

While this department does not offer academic credit for internships, Environmental Sciences majors have had successful internships. Sample internship opportunities and other credit options can be found below.

To pursue credit options:

Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:

Internships can be found on *HuskyCareerLink* via huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample internship opportunities for Environmental Sciences majors:

Museums, Think Tanks, Government, Non-Profits, Farms, Parks

Sample of organizations where Environmental Sciences majors can intern:

**Connecticut Department of Energy and Environmental Protection, **UConn Extension
**Student Conservation Association, **US Fish and Wildlife Service, Raspberry Knoll Farm,
**CT Forest and Park Association, US Natural Resources Conservation Service,
**US Park Service, **Audubon Society, **The Nature Conservancy,
Metropolitan District Commission Forest and Wildlife Management,
NOAA National Marine Fisheries Service

**** (recruits at UConn)**
