Description of internship provider:

University Communications is dedicated to sharing the news of the University of Connecticut and the surrounding communities. University Communications promotes the news through video, social media, photography, articles, and many other forms of media. University Communications serves as UConn’s marketing and public relations entity, responsible for telling the UConn story. The department works to promote the university as one of the nation’s premier public research universities and premier provider of health care in Greater Hartford.

Description of internship position:

The Multimedia intern at the University Communications will work to help meet the goals of the department. Work responsibilities will include the following:

- The intern will shadow multimedia producers and serve as an assistant on video shoots
- The intern will have the opportunity to collaborate and learn from other communications professionals (interview and/or shadow writers, editors and web designers)
- The intern will learn new software and hardware outside of the department through the online training resources that are available
