

INTERNSHIPS & CO-OPS

Major: Pathobiology College of Agriculture, Health and Natural Resources

Website: <http://www.patho.uconn.edu/>

Academic Year: 2017 - 2018

While this department does not offer academic credit for internships, Pathobiology majors have had successful internships. Sample internship opportunities and other credit options can be found below.

To pursue credit options:

Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the "internship course listing by major" page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:

Internships can be found on *HuskyCareerLink* via huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample Internship opportunities for Uconn Pathobiology majors:

Biomedical Research Internship, Master of Public Health Internship, Veterinary Medicine Internship

Sample organizations where Uconn Pathobiology majors have interned:

National Cancer Institute, Department of Environmental & Global Health, Utrecht University, **Massachusetts General Hospital, New Bolton Center

** (recruits at Uconn)
